Dearest Parents,

Welcome Back! I pray that all is well and that your Thanksgiving vacation was restful and blessed.

I am still out on leave and I appreciate all of the prayers for my family. I pray that I am able to be back by 12/13. Mrs. Terry is doing a wonderful job keeping the students on track and I am grateful for her as my family heals through this time in our lives.

We will be beginning Our Secret Angel Project this week. Students will choose a person- male or female and will need to be creative in giving of themselves. Remember, this is part of their Sharing God's Word grade- it's not about the present it's about being creative, thinking about the other person and not trying to be acknowledged for the gift. Students will be journaling in the classroom on what they gave and how the gave it. They must give or do something for their person at least 3 days a week. At our Christmas Party, They will reveal themselves as with a gift of \$15 dollars or less

Christmas Party sign-up is attached. Please turn it in by Monday 12/13. We will need volunteers to help set up!

Christmas Pot Luck Lunch Menu Sign up

Please check which item(s) you would like to prepare. It may be subject to availability. We can't have a luncheon with just dessert (no matter how yummy that sounds!)

Please send back this form by Monday December 13. Lunch will begin at 1:00 and parents are invited! Our party is on Monday December 20.

Please note: we have limited availability to cool or heat foods. I also need parents to help put this together. I cannot prepare and plan the luncheon at the same time I am with the students. I need your help! Also, remember, we have students with allergies, please be sure that we know if there is shellfish, coconut or mustard in your dishes.

Student's Name _____ Parent Volunteering during the party?

___ yes ___ no

Paper Products

Drinks

_____ Napkins (200 ct)
