Notes from Mrs. Todd

Dear Parents,

We had a very busy week. The students did very well during their testing time. We have a lot of catching up to do this week because very little instruction was completed this past week after we completed our testing. Each day, I scheduled about 2 hrs of testing. Because tests are untimed, students worked until every student was finished. Sometimes that was not until lunch time.

The students enjoyed their pizza party! Please thank Mrs. Kuzins when you see her.

Nations Notebook update: . Encourage your child to bring to school all that he or she needs. We did not have an opportunity to begin pt. 2 as planned, so we will etch out time to do it this week.

I still do not have responses from a few people for Busch Gardens, please send that information to me immediately. I am also missing some parent homework. Please turn in also.
