See to it, brothers, that none of you has a sinful, unbelieving heart that turns away from the living God. 13But encourage one another daily, as long as it is called Today, so that none of you may be hardened by sin's deceitfulness.

~Hebrews 3: 12-13

Working Hard!

The students have been working hard in the classroom this week. I want you to please encourage your child to finish well this quarter and not get "spring-itis." We don't want the kids to check their brains at the door because spring has "sprung."

Don't forget about the Busch Gardens survey. I don't your money yet, I just need the number of people attending! Feel free to email me with the information!

Nations Notebook was due on 4/6. I am missing several students notebooks and they are daily losing points. We will be working on itineraries and journals in class so please help you student be prepared.

We are now 19. We have lost another student this past week. Taylor is now in public school. Please keep him and his mother in prayer as they transition to public school. We'll miss him!

Lastly, silent auction is coming quickly. Please discuss the silent auction basket representing our class with Mrs. Harrell.

Blessings,

Mrs. Todd
