* Complete Business letters

Reading:
* Recognize statements of perspective are opinions, Use a table of contents to locate information, Identify solutions to problems
* Compare and contrast information, Sequence events, Recall facts and detail, Distinguish between fact and opinion

Notes from Mrs. Todd

Dear Parents,

We are beginning our sharing God's word projects for the holiday season. Annually my class carols throughout the school as well as saying Twas the Night Before Christmas as well as Luke Chapter 2. We tell the secular version of Christmas and then tell everyone the true meaning of Christmas by sharing God's word. Because we will be reciting the same Scripture, students will be memorizing for the KJV version only. If your child is memorizing a different version, they will not receive credit as this was already explained to the students in class.

This week Monday and Friday, students will begin their Science Presentations. Pray for the girls and boys that they will not be nervous. :)

We will be having Chinese Thanksgiving on 11/20 at China King Buffet. Awards for Character traits and honor rolls given during this time. Please plan to attend! **?'s Contact Mrs. Todd School: ttodd@christchapel.org; Home:tatanatodd@ccservices.org.**
