Dear Parents,

This is our last full week of school before Thanksgiving and I want to make you aware of a few things that will be happening in the upcoming weeks:

**Secret Christmas Angel:** students will draw a name and for the month of December, they will be doing acts of kindness for a student in the classroom. Students should not be purchasing things, but must be creative to do something nice for their chosen person at least 3 times/ wk. This is to be done secretly. They will reveal themselves at our Christmas party on 12/21. The Angels will then give the student that they've been blessing a gift- pricing no more than \$10.

This is a completely random drawing, so your child could get a girl or a boy.

**Book report:** students will be reading a book with their accountability partner in the classroom. They will work on this project completely in the classroom.
